Managed Asset Portfolios recognized as "Top Guns of the Decade" Manager

February 22, 2012 03:50 PM Eastern Time

ROCHESTER, Mich.--([BUSINESS WIRE](#))--Managed Asset Portfolios, LLC, a Rochester, MI based independent investment adviser, announced today that the firm's Global Equity Composite, Balanced Composite, and U.S. Multi-Cap Value Composite have been ranked in the Informa Investment Solutions (IIS) PSN "Top Guns of the Decade." Managers are evaluated over the previous 10 year period in terms of performance and risk.

"To be recognized as a Top Guns Manager of the Decade for three of our composites is a testament to how hard we have worked since MAP was founded in December of 2000," said Michael S. Dzialo, President & Lead Portfolio Manager of Managed Asset Portfolios. "Our goal has always been to achieve long term success through our strict value discipline. These awards, we believe, are an accurate reflection of our unwavering effort to properly manage risk and reward."

Top Guns of The Decade Criteria: The PSN universes were created using the information collected through the PSN investment manager questionnaire and use only gross of fee returns. Mutual fund and commingled fund products are not included in the universe. Products must have an R-Squared of 0.80 or greater relative to the style benchmark for the latest ten year period. Moreover, products must have returns greater than the style benchmark for the latest ten year period and also Standard Deviation less than the style benchmark for the latest ten year period. At this point, the top ten performers for the latest 10 year period become the PSN Top Guns of the Decade.
