ROCHESTER, Mich.--([BUSINESS WIRE](#))--[Managed Asset Portfolios, LLC](#) (MAP) a Rochester, MI based independent investment adviser announced today that for the third consecutive year, MAP's Global Equity Composite received Informa Investment Solutions (IIS) PSN "Top Guns, Manager of the Decade" status for the period of 2003 through 2013.\*

In addition, MAP's US Multi-Cap Value strategy also received Informa Investment Solutions (IIS) PSN "Top Guns, Manager of the Decade" status for the period of 2003 through 2013.\* This is the second time in two years this recognition has been bestowed upon this strategy.

"Since MAP was founded in 2000, our clients have experienced the bursting of the technology bubble, a housing bubble and subsequent crash, and a recovery tempered by lackluster growth in the economy," said Michael S. Dzialo, President and Chief Investment Officer of Managed Asset Portfolios. "Our focus has always been to remain consistent throughout these different market cycles, focus on our philosophy and process, and ultimately deliver value to our clientele. To be recognized for 3 consecutive years, for 3 ten year periods, with each somewhat different, is a feat we are certainly proud of."

\*Top Guns of The Decade Criteria: The PSN universes were created using the information collected through the PSN investment manager questionnaire and use only gross of fee returns. Mutual fund and commingled fund products are not included in the universe. Products must have an R-Squared of 0.80 or greater relative to the style benchmark for the latest ten year period. Moreover, products must have returns greater than the style benchmark for the latest ten year period and also Standard Deviation less than the style benchmark for the latest ten year period. At this point, the top ten performers for the latest 10 year period become the PSN Top Guns of the Decade.
